

# Howden High-5 Award

## High 5 given to the supplier Hetraco B.V.

The company Hetraco B.V. is rewarded for his performance in 2017. The supplier has supported our New-Build performance for his reliability. Howden receives the PO confirmation and parts in a short time and the Supplier has shown great flexibility to support our 2017 projects. This performance allowed our 2 companies to enter in a price agreement. Howden thanks you for this performance.
